## 6. Insert all info in the order form:

- exact number of licenses your customer wants to have
- Licensing information (licensee data of your end-customer)
- Recipient information (to whom the license key will be delivered)
- Billing information (it will be pre-entered based on the given information along with reseller account registration)
- Payment information (Please note, that the license key delivery will take longer for wire transfer orders, as the license key will just be delivered once the payment is received by our payment provider)

7. Please agree to Consumer Information and Terms and Conditions

8. Click the "Buy Now" button

9. There is a review page again, please check all data again (number of licenses, customer name!) and finalize the order.

The registration key(s) will be delivered to your email account within a few hours. (Please allow for a maximum of 48hrs in some cases).
